Known for its exceptional formula, fashionable colours and iconic names, OPI's heavily-pigmented lacquers are super rich, long-lasting and chip-resistant – offering an affordable luxury to consumers.

The LVL Lash Lift is the revolutionary lash phenomenon that reveals your natural lashes in all their glory. Exclusive to Nouveau Lashes, the LVL effect is about freedom. It's about knowing your eyes will be the centre of attention. Without you having to do a thing. Make the most of what nature gave you. With the length, volume and lift effect of LVL.

Hollywood Lashes are made of synthetic material, they simulate the natural lashes. What makes hollywood lashes different to normal lash extensions is the lash is C shaped, and this makes the lashes fit snugly to your natural lashes.
